I. The Group

Purpose

The Midnite Group is an organized group with a non-discriminatory membership that hosts Alcoholics Anonymous meetings each week with various formats, in person and virtually, throughout the afternoon and evening, seven (7) days a week and three hundred sixty-five (365) days per year.

Members

The Midnite Group does not keep any formal membership roles as a means of preserving anonymity as well as to maintain consistency with the Third Tradition of Alcoholics Anonymous which states that “The only requirement for AA membership is a desire to stop drinking”. There are no dues or fees for membership, but we do encourage modest donations in order that the group may be self-supporting. Members are encouraged to participate in service opportunities such as serving as meeting chairs, overalls, and literature reps; group officers; and outgoing commitments to treatment centers and other AA groups.

Location

In-Person: 220 West Houston Street, Second Floor, New York, NY 10014.

Virtual meeting location: Zoom ID: 911 944 7298

VI. Financial

Income

Collections

In keeping with AA's Seventh Tradition which states that "Every AA group ought to be fully self-supporting, declining outside contributions", the Midnite Group's primary source of income is voluntary member contributions.

- No person is ever turned away from any meeting if they are unable to contribute.
- There are two collections taken at each meeting.
- Any individual contributions made between members including loans, donations, or gifts, while not expressly forbidden, are considered out of the scope of the group and are not officially recognized by the group in any way.
- From time to time, by Group Conscience, special voluntary collections can be authorized, such as defraying the cost of the burial of a deceased group member, or AA-related fund such as literature for institutions.
- In addition to collecting cash at in-person meetings, the group also collects seventh tradition donations via a Dipjar, located in the room at 220 West Houston St, and via online methods such as Venmo, Paypal, etc.

Literature/Merchandise

Literature and merchandise are available for purchase at Midnite. Literature is generally sold at cost and includes AA meeting books, pamphlets, approved AA literature, and non-approved literature such as Hazelden recovery books. In addition, merchandise such as anniversary coins, t-shirts, hats, and other items are available for sale. Generally, merchandise is sold at cost, but any profits generated are allocated towards the group's finances.

Literature and merchandise is available for purchase in person during and between meetings at the overall's counter.

Rent Income

When the room is not in use, the meeting room space at 220 West Houston Street may be rented to other AA or 12 step groups. These groups are not affiliated with the Midnite Group or Midnite Corporation. Rent income from such groups will go to Midnite's finances.

Refreshments

Beverages are available for sale from a soda machine. Profits are credited to the Group's finances.

Expenses

Rent

The Midnite Group maintains a month-to-month license on the 220 West Houston meeting space from Gottlieb Associates. The rent for the room is \$4,097.73 per month, as of March 2024. It is paid monthly. In addition, the group maintains an account with Con Edison for the provision of utilities.

Recurring Expenses

Other recurring expenses include, but are not limited to, insurance coverage as required by the room's landlord currently paid twice a year, electricity for the room paid monthly to con Edison, and recurring subscriptions for the group's online services (including Zoom, MailChimp, and website registration fees).

Meeting Materials

In addition to the literature and merchandise sold, the group maintains meeting supplies for Big Book and Step meetings. Other costs associated with meetings include, but are not limited to, stationery, printing/copying fees, keys, and general office supplies.

Maintenance

General

General maintenance expenses include, but are not limited to, cleaning, trash disposal, lighting, and rest room supplies. In addition, the group may compensate a custodian at the rate of \$50 per week. This custodian supervises a weekly cleanup of the room, as well as general maintenance tasks during the week.

Special

From time to time, the Group incurs unexpected or irregular expenses. These include items such as boiler maintenance, extermination, plumbing, electrical, chair replacement, and painting. Unless it is an emergency, these expenses are presented, discussed and approved by motion at a business meeting.

Events

The Midnite Group hosts two celebrations a year, a Group Anniversary Party in June and a Holiday Party in December. In addition, the Group hosts 24 hour “Alcothons” on Thanksgiving, Christmas Day, and New Year’s Day at which complimentary refreshments are served. In addition, the Group may elect to conduct a Memorial Service for a Group member. Expenses for these events are covered by the Group’s funds.

Other

When unexpected expenses arise, the preferred dispersal process is through Group Conscience. In event of emergency, the Group Overall and Treasurer are authorized to remit the funds; however, they are required to provide a full accounting of the expenditure to the Group at the next scheduled business meeting. If the next business meeting is not a Quarterly business meeting, it should be presented to the following In-Person and Virtual business meetings, and then the subsequent Quarterly business meeting.

Organizational Contributions

At the quarterly business meeting, the treasurer will report if its prudent reserve allows it to make contributions from its excess prudent reserve. The Group makes contributions from its excess prudent reserve to the various AA organizational entities. The breakdown is 50% to New York Intergroup, 30% to the General Service Office, 10% to the Southeast New York Area Organization and 10% to Manhattan General Service. In addition, periodic contributions are made to Manhattan District 602. All contributions require a motion and approval vote by the group at a Quarterly business meeting before funds are dispersed. In addition, other AA-related organizations will occasionally ask for money via a motion; approval will be by vote of the group at the Quarterly business meeting before funds are dispersed.
